As we all adapt to a new normal, we have made necessary changes to our practices and available amenities, ensuring that our team and guests all remain safe & healthy. We know things may look a little different than usual, but we hope you enjoy relaxing with Nubble Lighthouse views.

Thank you for your continued support and understanding.

Office

The front office will be closed to all except staff members. Don't worry- we're still here for you! Contact us via email, phone, or text (if opted-in) if you need anything! Office is open 9AM - 9PM.

Check-Out

Check out is at 11:00AM. Upon departure, just leave your keys in your suite & let us know you have left! We'll take it from there!

Parking Pass

You will find your parking pass on the counter in your suite. Please place it around your rearview mirror in your vehicle with the date facing out.

Housekeeping

There will be no in-suite housekeeping at this time, but don't worry! We are happy to give you a customized bag of any necessities you may need more of during your stay with us, just let us know! Please leave any dirty linens in the provided light green bags, any rubbish in the provided dark green bags, & any recyclables in the paper bag outside of your suite and we will exchange them for you. Please call, text (if opted-in), or email us by 3pm each day to let us know what we can get for you! to check out our sanitizing practices, visit viewpointhotel.com/currentupdates.

Outdoor Grills

The grills are currently out of service as a precaution against cross-contamination.

WiFi

Network: ViewPoint_Guest
We make it easy- there is no password!

Text Us

Cat got your tongue? Text us at (207)569-9900 with your name & suite number and we'd be happy to assist you with anything you need!

Pool & Pool Area

The pool and pool area is now closed for the season!

Recommendations

Visit www.viewpointhotel.com/things-to-do for our personal recommendations on places to grab a bite to eat, quench your thirst, a scenic hike, or nearby activities.

Fireplaces

All suites, except suite 107 & 109, have gas fireplaces. For the gas fireplaces, locate the timer switch on the wall, and turn the knob. The fire should turn on in a matter of seconds. For suite 107 & 109, locate the small black remote above the fireplace. Press the power button to turn on the fireplace, and then the button with the fire symbol. Adjust temperature as desired.

Heating

The thermostat on the wall controls the baseboard heat. There additional heating supplied by the mini-splits on the wall. Instructions are on the next page!

R.E.S.P.E.C.T. (yes...like Aretha)

The ViewPoint encourages all of its guests to relax and make themselves at home, however we ask that all guests be respectful of each other and be aware of their volume between 10pm and 8am. In light of recent events, please practice social distancing, and wash your hands regularly.

No Smoking, Please!

We are pleased to offer a smoke-free property. There is no smoking of ANY kind on the patios, balconies, in the rooms, or anywhere else on the grounds. There is a designated smoking area between the pool and the pool house.

Wrinkly Clothes?

There is an iron & ironing board in each suite. If you wish to use a steamer, let us know & we will bring one to you!

Mini-Splits- Air Conditioning/Heating

To turn on the mini-split, locate the white remote on the wall of your living area or bedroom. Aim remote at white mini-split and press power button on remote. Use buttons to adjust temperature and mode. Make sure remote shows your desired mode (cool, heat, fan)!

But First, Caffeine!

Fill water reservoir of the Keurig with water. Press power button to turn unit on. Lift handle on top of unit to place coffee pod & return to closed position. When water is done heating, select cup size & press button to begin brewing your coffee. *If hot water is desired, complete the above steps without placing a pod in the unit.

Convection Oven

Press "Power Convection" button. Turn dial to select oven temperature & press "OK". Turn dial to select desired cooking time (max. 1 hour) and press "Start/+30s" button. *Metal cookware, foil, & other oven-safe cookware must be used in this mode. (Suite 109: N/A)

Microwave

Press "microwave" button. Turn dial to select cooking power level and press "OK". Turn dial to select cooking time and press "start/+30s" button. *Metal cookware & foil may NOT be used in this mode. (Suite 109: N/A)

If You Want to Take Over the Aux...

Turn on your bluetooth device (phone/tablet/etc) and the Bose speaker. Press and hold the bluetooth button on the speaker. Once it shows a blinking blue light, go to your bluetooth settings on your device and select "Bose Mini Soundlink II". The button will turn white when connected.

What Goes in Compost?

- Our whole coffee pod
- Our sugar packet wrappers

TV Needed a Break?

Sometimes even the TV needs a vacation! If a channel listed is not showing, click the MENU button on the remote. Using the arrows on the remote, scroll to ANTENNA & click the right arrow button. Scroll to AUTO PROGRAM and click the right arrow button. When prompted, check the CABLE checkbox & click next. When prompted with another box, scroll down to SEARCH and press the middle button on the remote. The channels will start auto-programing.

Movie Time?

Want to watch a movie you brought from home? We have DVD Players available at the front desk- let us know if you would like us to bring you one!

*Please note we do not have streaming service (Netflix, Hulu, etc.) capabilities.
