

A MAINE DREAM WEDDING

Destination Weddings at The ViewPoint

The First Day:

The Destination Wedding Experience offers the private rental of the beautiful ViewPoint property and suites to you and your loved ones. You and your guests can enjoy breathtaking views of the panoramic coast and famous lighthouse for your rehearsal and rehearsal dinner.

Each of our fully accommodated suites offer one, two, or three bedrooms as well as a fully equipped kitchen, spacious living room, sleeper sofa, full bath(s), washer/dryer, free Wi-Fi, and a private porch or patio overlooking the wide blue ocean and the picturesque Nubble Lighthouse.

The rental of all nine suites is required for two nights as part of the Destination Experience so that you, your family, and friends can mingle and gather throughout the weekend knowing everyone on property is there to celebrate your wedding. Room rates vary depending on the time of year and can be paid by you or your guests staying in the suites.

Total on-site occupancy ranges from 28-46 guests.

Our other lodging location, Stones Throw is located 1.4 miles away on Long Sands Beach. With Oceanfront Balcony rooms Stones Throw has an on-site occupancy up to 52 guests. We offer a 10% discount to our Destination wedding parties for additional guests.

The Second Day:

Wake up to the sunrise as you prepare for your wedding. Celebrate your love for each other as you say your vows overlooking the ocean.
